

# Istrski rubini Refošk 2011

A deep black-red wine, still youthful in appearance. It has a complex nose, with notes of bilberry, raspberry and damson, with good oak integration and a hint of clove spice. To taste, it has very typical Refošk structure: firm and with an almost steely backbone. It's linear rather than rounded, with fine but structured tannins and fresh acidity. Still young but would go well with full-flavoured savoury dishes already.

## Opis vina:

- Variety : 100% refosco
- Color : The appearance of the wine is adorned with a deep, dark ruby color with purple hues.
- Aroma : The intense, ripe fruity scent of blueberries, cherries, prunes and blackberries blends beautifully with notes of white pepper, chocolate, vanilla and the sweet scents of burnt oak wood.
- Taste : Pleasant softness, playful with gentle lactic acid, escalates into a full and long taste. The rich structure, noble tannins and herbal spiciness in the aftertaste are the perfect basis for a longer life of the prestigious ruby.

Vintage: 2011

Quantity / Packaging: 0,75 l

Alcohol level: 13.5 %

Sugar level: Sec (dry)
